**AND RECEIVED BY** November 7, 2006

**Purpose of the proposal and its anticipated effects, including any changes in existing rules:**

To amend the date that individual agents and solicitors licensed to sell vehicle insurance must meet the continuing education requirement from "beginning with January 1, 2007, renewals" to "beginning with January 1, 2008 renewals."

**Reasons supporting proposal:** The OIC's computer system is not yet capable of accepting the continuing education certificate hours for these types of licensees. The expected "go live" date for the new OIC system is approximately December 2006; however, necessary enhancements to the new system will not be in place by January 1, 2007 to accept the CE certificates for these licensees. Delaying the implementation of this rule for a year will allow the OIC time to have the new computer system programmed. It also allows the licensees additional time to become more familiar with the new continuing education requirement and to obtain the necessary credit hours prior to their license renewal date.

**Statutory authority for adoption:** RCW 48.02.060, 48.17.150

**Statute being implemented:** RCW 47.17.150, 48.17.210
